

Day ride checklist

This checklist suggests items to wear and bring on a day ride in Yellowstone National Park. We encourage people to be prepared as weather conditions can change drastically. (Nothing is worse than being cold, wet and uncomfortable.) Here are some suggestions to help you enjoy your adventure. We provide saddlebags to carry gear and you will lash coats to your saddle.

- ___ Riding or hiking boots with heel.
- ___ Hat or cap with Brim for sun protection.
- ___ Rain jacket and pants or "Duster" style coat **(No ponchos!)**
- ___ Warm jacket
- ___ Gloves
- ___ Insect repellent
- ___ Sunscreen and lip balm.
- ___ Sunglasses
- ___ Binoculars, spotting scope.
- ___ Camera, film, extra batteries
- ___ Toilet paper in zip lock bag (never hurts)
- ___ Pepper spray **(optional)**
- ___ Helmet for kids 14 and under.

We provide lunch and bottled water, if there is an additional food or drink item you wish to carry, feel free to do so.

YOU'RE READY TO RIDE!

Lunch Note:

Lunch consists of a hearty sandwich, home baked cookies, trail mix, carrot sticks and a drink. We make sandwiches on whole grain breads and include meat, cheese, mustard, mayo, sprouts. If you are allergic to anything (nuts, dairy) or prefer vegetarian meals, please let us know and we'll make a lunch to suit your needs. (pb&j is always an option too.)

*** We encourage the use of environmentally friendly products.**
